

Information provided in accordance with the *General Data Protection Regulation (GDPR) 2016/679 (EU)*

In compliance with General Data Protection Regulation (GDPR) 2016/679 (EU) we hereby **INFORM** that our company ALUPRESS s.p.a. processes personal data pertaining to customers, suppliers and persons who voluntarily provide personal details by telephone, fax or email or web site www.alupress.com (valid only for the website www.alupress.com, other sites present via links are excluded from this policy.) to our HR office, sales office or management. We also process data pertaining to persons which is collected by third parties, e.g., during capture of external data for commercial information, public lists, etc., the latter consisting exclusively of personal data of a general/common nature and character.

Our company guarantees within the terms of the statutory provisions that personal data is processed with due regard to the basic rights and liberties as well as the dignity of the data subjects with particular regard to confidentiality, personal identity and the right to protection of personal data.

Aims and Purposes of Data Processing:

- compliance with statutory duties, duties arising out of regulations, European Community regulations and civil and fiscal law
- compliance with any contractual obligations to the data subject
- performing activities in connection with the conduct of the business of our
- company such as compilation of internal statistics, accounting purposes and
- maintaining customer/supplier accounts
- objectives of a commercial nature such as sending of business information and
- advertising materials (by post, fax and email), marketing and market surveys
- reasons associated with the safeguarding of assets and administration of liabilities
- reasons associated with obtaining insurance, in particular credit insurance
- reasons associated with recruiting

Modalities of treatment

With reference to the objectives listed above, your personal data will, where required, be communicated to:

- public administration offices and authorities where provided for under law
- banks with which our company does business for the purposes of administration of
- assets/liabilities and for financing arrangements
- all natural and/or legal, public and/or private persons (legal, administration and tax consultancy offices, courts, chambers of commerce, etc.) insofar as required or where expedient in the performance of our business activity and in the manner specified above in pursuance of the relevant objectives

Personal data processed by our company is not disseminated.

Data processing may be carried out with or without the aid of electronic or automated means and/or paper-based. In every case processing is effected employing all security measures for safeguarding the security and confidentiality of the data in accordance with Article 32 of GDPR (UE) 2016/679.

Rights of data subjects

The General Data Protection Regulation grants data subjects the opportunity to exercise certain rights in accordance with Articles 15, 16, 17, 18 of GDPR 679/2016. In particular he has the right to know what personal data the proprietor is holding about him and to be given information relating to these. He has the right to know if data is being held about him even if these have not yet been stored. He has the right to detailed information in an intelligible form about these data, such as source and grounds and purpose for processing them, as well as to information about the holder and his obligations relating to their processing. He is also entitled to know the entities and categories of entity to which these data may be communicated. The data subject has the right to confirm his data and to check, rectify and update these, to request that they be erased, blocked or converted to anonymous data in the event that their processing contravenes statutory provisions. He has the right on legitimate grounds to object to the processing of his data in full or in part and to demand that they be erased, blocked or converted to anonymous form. He may do so without grounds if data is used

for purposes of commercial information, sending of advertising materials, direct selling or market and opinion surveys.

The data subject or a person appointed by him may exercise these rights by application to the Responsible Manager (Alupress S.p.A., data protection officer, I-39042 Bressanone, Via A. Ammon 36) by letter or email: privacy@alupress.com

The proprietor of the data processing operation is:

Alupress S.p.A., based at I-39042 Bressanone, Via A. Ammon 36

Information provided for the use of “cookies” on homepage Alupress.com

Definition of Cookies

The homepage of Alupress AG (“homepage”) uses cookies to provide the sites in an efficient and simple way to the visitor. Text files containing small information volumes, called cookies, will be stored on the visitor’s device. These cookies are stored in the folders that the browser on the device uses to store these files. There are different types of cookies, some cookies are used to improve the usability of the homepage, others to activate specific functions.

Cookies from the operator of the homepage

Technical cookies

This Homepage uses only “technical” cookies, especially session cookies, functionality cookies or analytic cookies.

- Session cookies

Session cookies are cookies that are absolutely necessary. These cookies are used to give access to the homepage and to improve the usability of the homepage.

- Functionality cookies

In addition to the session cookies functionality cookies are set. These cookies are used to activate and give the access to specific functions that the visitor requests.

- Analytic cookie

There are also analytic cookies, these cookies are used to collect information about the usage of the homepage. This information is anonymous and not individual-related.

This homepage doesn't create any cookie for profiling, neither from the operator nor from a third party.

Cookies from a third party

- Cookies for analytic purposes and services from a third party

Cookies for analytic purposes and services from a third party are used to collect information about the usage of the homepage in an anonymous form. In this process there will be collected information about the opened sites, the retention period on the sites, the origin of the traffic as well as the geographical provenience and the age. These cookies are created by a third-party which is not part of the homepage.

Related information about the cookies of the third party can be retrieved in the following link:
